PROFILE

Dedicated frontend developer with over a year of experience in creating responsive and visually appealing user interfaces. Proficient in HTML, CSS, JavaScript, TypeScript, React, and Next.js with a strong foundation in software engineering principles. I thrive on turning ideas into reality through clean, elegant code. I'm eager to collaborate on innovative projects and contribute to your web development team. My love for learning new technologies drives me to continuously improve my skills and deliver exceptional results.

PERSONAL PROJECTS

Wavey Music App

- Built a responsive and interactive music player using vanilla JavaScript, Tailwind CSS, and HTML.
- Implemented essential features like audio controls, play modes, and a comprehensive music library.
- The intuitive user interface, complete with smooth transitions, offers a seamless listening experience

Weather App

- Integrated OPENWEATHERMAP API into the project which offers up-to-date weather information on any location globally.
- Responsive user interface, ensuring cross-browser compatibility.

WORK EXPERIENCE

Frontend Developer Intern

ConceptDelapaix Hub, Ibadan, Oyo State | September 2023 – April 2024

- Developed and maintained responsive user interfaces using HTML, CSS, JavaScript, and React.
- Collaborated with backend developers to integrate frontend with backend APIs, ensuring seamless data flow and functionality.
- Assisted in troubleshooting and debugging frontend issues, significantly improving website performance and user experience.

- Participated in code reviews and implemented best practices to maintain high-quality code standards.
- Engaged in continuous learning, staying updated with emerging frontend technologies.

Offline Sourcing Executive

JijiCars45, Epic Towers, Ikorodu, Lagos | December 2022 – July 2023

- Managed procedural activities for car sales, ensuring smooth transactions between sellers and JijiCars45.
- Conducted partial inspections of merchandise, contributing to quality assurance processes.

Teacher

National Youth Service Corps, Yakkur L.G.A, Cross River | March 2021 – February 2022

- Taught junior and senior secondary students, creating a positive and productive learning environment.
